

Job description

Full-Time Psychologist or Licensed Counselor at Premier Behavioral Health Services (PBHS)

Job Description:

PBHS is a private practice located in Mentor and is seeking independently licensed psychologist and/or counselor to join our team in a full-time or part time capacity.

Clinicians maintain flexibility in designing their schedules, and the practice currently adopts a hybrid model of remote and in-person sessions. Covid-19 safety protocols are in place to maximize safety for staff and patients.

Those with Dialectical Behavior Therapy (DBT) experience are encouraged to apply, however training in this modality will be provided. Previous group experience is preferred. As DBT emphasizes psychoeducation and didactic training, teaching experience and/or comfort engaging with small groups is essential. Familiarity with motivational strategies and confronting therapy-interfering behaviors also is suggested for applicants.

Clinician will participate in a variety of professional activities, including:

- Conducting initial diagnostic intake assessments
- Individual psychotherapy
- Participation in regular treatment team meetings
- Professional consultation as needed
- Crisis intervention
- Participation in marketing/community education as needed
- Supervision of other clinicians (if consistent with licensure)

Optional Professional Opportunities and Training include:

- Program development (either self-directed or assigned)
- Specialization

Practice Description:

We are a multi-disciplinary mental health practice providing a combination of psychiatric and psychological services to adolescents, adults, and seniors. Services include comprehensive assessment and treatment of mental health conditions and addiction. To meet the mental health needs of Northeast Ohio, our practice prioritizes our IOP services; in addition, we provide individual and conjoint psychotherapy, medication management, and neuropsychological and forensic assessment services.

Our IOPS are accredited both by the Commission on Accreditation of Rehabilitation Facilities (CARF) as well as the Ohio Department of Mental Health and Addiction Services (OhioMHAS).

As a staff member, you are paid a competitive salary, with bonus eligibility based on performance. We offer health insurance, dental and vision, along with a 401k plan and a PTO plan. Professional development is strongly encouraged and supported at our practice. We work collectively as a team to best treat our patients. We also offer flexible hours/schedules.

Requirements:

4 – 5 years experience

- Preferred independent license; however, supervision can be provided if needed
- Willingness to learn/apply DBT with patient population requiring intensive care
- CV
- Cover letter
- Willingness to provide remote and in-person visits (hybrid model)
- Must be local, with valid Ohio License.
